Important : Each "responsible" RJR Manager should ensure the headquarter point in SIS properly reflects the Southland Chain/Division name listed above.

Additionally, your respective Chain/Division number should be entered for the headquarter point in SIS on the M31 screen to ensure chain stores appear in the Account Management Function.

All of the old chain I.D. numbers have been or will be deleted in the near future. Should you have any questions relative to the above changes, please do not hesitate to contact me.

Warm Regards,

Jeff
